

Curborough 2020 - Additional Advice [Covid-19]

These notes have been compiled with reference to Curborough's hiring terms and conditions ,advice from Motorsport UK and/or Government Covid-19 guidelines. Obviously the whole situation is unique .

Changes may well occur between when this was written [early July] and the event date .For instance the terms & conditions of hire - of which I've based my notes - were written when the social distancing recommendation was two metres.

Any relevant changes will be mentioned in the final instructions

1. **Everyone attending must complete Covid questionnaire and are not allowed in if can't comply** - No extra spectators or turn-ups on the day
2. Minimise contact by contactless entry form/indemnity & payment . Drivers briefing will be with final instructions by email.
3. Social distancing - Must be observed at all times in accordance with Government guidelines at the time of the event.
4. Car sharing [Drivers] - If more than one driver car must be cleaned & sanitised before changeover
5. Car sharing [Passengers] - No passengers allowed unless same family group/bubble .
6. Catering - Has been booked but availability will be more limited - Fuller details with final instructions
7. Toilets - Only one toilet will be available on a one in/one out arrangement with in-between cleaning - Fuller details with final instructions
8. On the day signing on /drivers briefing - You will already have signed on by completing the booking form . Most of the usual drivers briefing info will be sent with final instructions . On the morning there will only be a very brief gathering [with social distancing] to welcome you & advise any last minute changes .
9. PPE equipment - The Organisers will provide hand sanitiser at key locations .There will also be available disposable gloves and masks should you require. All entrants are welcome to bring their own.
10. Any driver involved in an incident must indicate that they are okay by signalling with a “thumbs up” at the front windscreen at the earliest opportunity to the approaching marshal

The above based on the restrictions as at 25/6/20 & may well change by October .Please ask if anything unclear.
