Application for QOC Membership

General Data Protection Regulations (GDPR)

The QOC members list is stored in an electronic database for use by the club to service your membership.

Your contact details may be shared with the committee members for club purposes. In addition, your membership number, surname and initials may be passed to companies which offer a club discount (e.g. Footman James) so that they can verify membership, or others that provide a service, such as the printer for the club magazine.

IMPORTANT

The GDPR does not allow an opt-out approach, therefore it is important that you opt-in. Failure to opt-in may mean we cannot even send you a club magazine.

I authorise the Quantum Owners Club to share my contact details with a 3rd party company so I can receive the club magazine. The identity of this company will be selected by the QOC Committee.

(if you do not tick this option we will not be able to send you a printed copy of the magazine – you will however still be able to download a copy from the club website)

I authorise the Quantum Owners Club to share my data (surname, initials) included in a paid-up members list which may be provided to companies offering a discount to club members.

(if you do not tick this option you will not be able to take advantage of discounts offered to paid-up members of the club)
